**Re: Notice of Closure – Kings Los Angeles Campus (Exempt Institution) - 90919944**

Dear Closed School Unit:

Pursuant to California Education Code sections 94926–94927.5 and Title 5, California Code of Regulations section 76240, Kings Education hereby provides formal notice that its Kings Los Angeles campus will cease instructional operations effective **March 28, 2026**.

Kings Los Angeles operates as an exempt institution under the Private Postsecondary Education Act. Although exempt, Kings is submitting this notice and closure plan to ensure full compliance with applicable closure and record retention requirements.

### **Closure Overview**

The decision to close the Los Angeles campus follows strategic operational review and coincides with the natural conclusion of a long-term facility lease. Recruitment activity has ceased in advance of closure, future bookings were aligned with the final instructional date, and agents were notified to minimize disruption.

The last date of instruction will be March 27, 2026. Administrative wind-down activities will continue thereafter as necessary.

### **Student Impact and Teach-Out Arrangements (Scenario 2)**

Kings has established structured completion pathways to ensure impacted students may complete their programs at no additional tuition cost.

Students enrolled beyond the closure date are offered:

- 1. Internal Transfer to Kings Boston or Kings New York**

- Academic continuity with equivalent programming
- SEVIS/I-20 transfer support, where applicable
- One-way economy airfare covered
- Airport transfer and arrival support
- Equivalent housing type at no additional cost
- No increase in tuition provided the original program end date remains unchanged

**2. External Transfer or Refund**

- Assistance with transfer to another institution; or
- Pro rata refund for unused tuition and fees.

Kings will provide refunds within 45 days of closure or earlier. Refunds paid via agents will be returned to the originating agent consistent with contractual arrangements.

Find a complete roster of impacted students below:

**Student Notification**

Written notice will be provided to all affected students and agents. The notice includes:

- Closure date
- Teach-out options
- Refund eligibility
- Record access procedures
- Bureau Office of Student Assistance and Relief (OSAR) contact information

Please find a copy of the final student notification below.

**Records Retention and Custodian of Records**

Kings affirms compliance with Education Code § 94927.5 regarding record retention and submission requirements.

- Transcripts will be maintained permanently.
- Student records will be retained for no less than five years.
- Records are maintained within centralized institutional systems (iSAMS, CLASS, and secure digital archives).
- Physical legacy records are securely in storage under institutional control.
